General Risk Management

Paddler Requirements

Conditions can be calm, but can change dramatically with winds and tides contributing significantly to this.

Paddlers must advise leaders if they have health issues or injuries that may affect participation. Ensure medication is carried and is accessible. If unsure, they should check with their doctor beforehand.

Participants must self-assess their, and their equipment's ability to cope with this grade of club event. The [club grading scale](#) is located on the club website.

	<p>This should be consulted prior to registration, and any concerns or anything needing clarification should be raised with the trip leader beforehand. Participants need the skills for the grade of the trip, unless modified below “Additional Comments”.</p> <p>Participants should have an appropriate level of fitness. This is a trip that requires a moderate fitness level and a minimum sustained cruising speed as required by the paddle grade.</p>
