Paddler Requirements

Conditions can be calm but can change dramatically with winds and rain. Paddle is conducted on white water, with obstacles and narrow sections.

Paddlers must advise leaders if they have health issues or injuries that may affect participation. Ensure medication is carried and is accessible. If unsure, they should check with their doctor beforehand.

Participants must assess their and their equipment's ability to cope with this grade of Whitewater event. The club's Whitewater grading scale is located on the club website. This should be consulted prior to registration, and any concerns or anything needing clarification should be raised with the trip leader beforehand.

Participants need the skills for the grade of the trip, unless modified below "Additional Comments". Participants should have an appropriate level of fitness. This is a trip that requires a moderate fitness level and a minimum sustained cruising speed as required by the paddle grade.

Club awareness of Insurance Cover: Members should be aware that under personal accident insurance benefits may not be payable in respect of any injury which results from reckless misconduct or any illegal or criminal act committed by the covered person. This could be relevant where alcohol or illicit substances have been consumed.

Hospital Cover: Where a covered person requires medical treatment and has a choice of going to a public or private medical provider, club executives must be aware and ensure members are aware that under personal accident insurance:

- The policy does have restrictions on choice of provider; and
- Costs that are not claimable under Medicare (not included on the Medicare benefits schedule) are claimable under the personal accident policy (any claim will be considered subject to full policy terms and conditions); BUT
- It is unlawful for insurers to pay any benefit under the policy in respect of any Medicare gap. If the out-of-pocket expenses are higher at a private medical provider for items on the medical benefits schedule, this will therefore increase the uninsured expenses for the covered person and can result in the covered person having to personally fund significant out-of-pocket expenses.

Critical Incident Procedure – adapted from UQ Sport (2025):

A critical incident is an occurrence where a member or members of a club are involved in a traumatic event or situation, or the threat of such, which causes or is likely to cause a fatality, sever physical injury, fear, harm, or severe emotional distress.

In the event of a critical incident, the club's activity leader, instructor, coach, or team manager should follow the following steps:

Critical Incident – Important Steps
Take appropriate action to clear the area of any immediate danger and ensure the safety of others
Commence first aid and/or seek assistance from others qualified to commence first aid
For incidents on campus: call UQ Security on 33653333, or dial 000 for off campus incidents and ask for the relevant emergency service (Police, Fire or Ambulance)
Follow directions from emergency service personnel
Once above steps have been followed, immediately contact UQ Sport: Chief Executive Officer 07 2115 7101 Campus Engagement Manager 07 2115 7109
Follow directions form UQ Sport

Media Procedure: If approached or contacted by a media outlet regarding a critical incident, do not engage in any questioning or comment on the matter. Immediately notify UQ Sport, who will coordinate a response.

Incidents

Complete and submit a UQ Sport Incident Report Form within 24 hours 	See the club's incident reporting procedures  Also contact the club committee (committee@uqcanoecub.net) and complete a club incident report if requested (located in first aid kits)	Club Member Protection Information Officers MPIOs@uqcanoecub.net Steff Linde-Balko (steff@uqcanoecub.net) Martin Wynne (martin@uqcanoecub.net) Play by the Rules

Insurance Information for Leaders

(latest insurance notes from UQ Sport)

☒ As leader I understand that activities that are illegal, criminal, or deemed “reckless” or “irresponsible” may void the associated insurance. Consequently I will endeavour to follow club procedures and risk management to the best of my ability.

☒ As leader I understand that if a serious incident occurs, that I will follow the critical incident procedures below if appropriate, contact the committee as soon as practicable, and lodge incident reports (below).

☐ Interclub / Inter-organisation Activity

There are insurance issues if this activity involves competition and interaction with non-club members, such as members of another club – primarily personal accident insurance if they get injured, and liability insurance if they injure others (such as our members!).
