Paddler Requirements	Conditions can be calm but can change dramatically with winds and rain. Paddle is conducted on white water, with obstacles and narrow sections. Paddlers must advise leaders if they have health issues or injuries that may affect participation. Ensure medication is carried and is accessible. If unsure, they should check with their doctor beforehand. Participants must assess their and their equipment's ability to cope with this grade of Whitewater event. The club's Whitewater grading scale is located on the club website. This should be consulted prior to registration, and any concerns or anything needing clarification should be raised with the trip leader beforehand. Participants need the skills for the grade of the trip, unless modified below "Additional Comments". Participants should have an appropriate level of fitness. This is a trip that requires a moderate fitness level and a minimum sustained cruising speed as required by the paddle grade.
