	THE UNIVERSITY OF QUEENSLAND CANOE CLUB
	WHITE WATER PADDLE: CANUNGRA CREEK
	A weekend trip skill development paddle on grade 2 rapid on Canungra creek with one/two overnight camping. Leaving either on Friday late afternoon or early morning on Saturday and coming back Sunday Evening.

Disclaimer: To register for this trip you will need to participate to a previous white-water introduction.

A semi beginner paddle on grade 2 white water on Canungra creek. We will focus on safety, river reading and basics of boat control. There will be swimming involved. On Saturday morning session we will be paddling around the first rapid of the river few meters away below the put in for an hour. Practicing eddy in and out, fairy glide and safety swimming. And we will run the river after and spent time around the waves encounters to practice our skills.

General Risk Management	
Paddler Requirements	Conditions can be calm but can change dramatically with winds and rain. Paddle is conducted on white water, with obstacles and narrow sections. Paddlers must advise leaders if they have health issues or injuries that may affect participation. Ensure medication is carried and is accessible. If unsure, they should check with their doctor beforehand. Participants must assess their and their equipment's ability to cope with this grade of Whitewater event. The club's Whitewater grading scale is located on the club website. This should be consulted prior to registration, and any concerns or anything needing clarification should be raised with the trip leader beforehand. Participants need the skills for the grade of the trip, unless modified below "Additional Comments". Participants should have an appropriate level of fitness. This is a trip that requires a moderate fitness level and a minimum sustained cruising speed as required by the paddle grade.
